Hola

Volunteers are needed for the following programs:

- ESL for adults (18 and older): Tuesdays and Thursdays, 6 to 8 pm, for 10 weeks, from September 10 until November 14.
- Math Program (K-6 have been the groups so far, but we do have many teenagers): Wednesdays, 6 to 7:30 pm, for 8 weeks, from September 18 until November 6.

The Math Program is likely to continue early next year, in January or February, maybe for around 10 to 12 weeks, also in the afternoons (once a week).

Volunteers don't have to come to all of the sessions, but we usually ask a day or two in advance whether they will attend that week, so that we know how many tutors to expect each session.

Salvation Army ESL Program

September 24 to November 12, 2024

Tuesdays evenings 6:15 – 8:15 pm

Volunteers needed to help with the adult students' children to do activities and crafts during class time.

Volunteers needed to be adult classroom helpers. The helpers would just assist with the practice parts in the book along with speaking and writing. No second language skills needed.

Volunteer needed as a van driver. No CDL needed just a driver's license and a good driving record. The volunteer would use The Salvation Army van to pick up parents and children on Tuesday nights to bring them to Maple. We will stay with local families who live in Painesville. They would pick up around 6:00 and drop off after 8. The Salvation Army would carry the insurance.

Volunteers needed to do the zoom chat meeting with students online. Just simple conversations so the students can practice. This would be once a week for about an hour. The volunteer can pick the topics, day and time based on the group interest.
